### LAWS TO BE SUBMITTED TO WARDS FOR APPROVAL

The By-Law Committee which has been drafting the by-laws governing the operation of Tule Lake's cooperative organization submitted their report to the Board of Incorporators for approval Monday night when the board convened at 8:00. The by-laws will be presented to the ward representatives for ward approval. Final approval, however, will rest with the new members of the cooperative.

The membership fee in the co-op has been set at \$1.00 and all those above 18 years of age, are eligible to join the cooperative. Each new member will be given a certificate of interest representing a book value of \$2. The certificate of interest is the individual share on the accumulated profit of the community enterprise which totaled \$15,554.83.

In keeping with the co-op principle of equality, no member shall be given more than one certificate of interest. The membership will be returned to any member leaving the Project. When the community enterprise is liquidated, the certificate will be redeemed at book value determined by the Board of Directors.

### CABARET TICKETS ON SALE SOON

Tickets to the cabaret "Cafe International" will be on sale soon in accordance with wards. As the show travels to a ward tickets will be distributed and allotted to all block managers in that ward for sale "as long as they last".

The nominal sum for charged admission is to defray expenses inherent with the production.

Patronage refund will be declared at regular intervals.

The WRA advisor, to be appointed by Project Director Shirroll, will act as a liaison officer between the Co-op and the WRA. He will see to it that the co-op is financially sound and operated in accord with the agreement between the two organizations.

The actual management of the community enterprise will be left solely to the co-op Board of Directors.

### COUNCIL HOLDS CURT MEETING

All existing records fell by the wayside Tuesday evening as the Project's City Council adjourned 20 minutes after the meeting was called to order by Gerry Wakayama, council chairman.

#### USUALLY LONG

Usually debate and business continue until the midnight mark, but were disposed of by 7:58 p.m. on the record breaking meeting.

#### THANKS TO YEGO

A "vote of thanks" was given by the council to Tom Yego, who was instrumental in setting-up the proposed City Charter, for his faithful work. Yego left yesterday for work on the sugar beet fields.
